**"Find A Job You Love and...you will never
have to work a day in your life"**

*Chinese philosopher Confucius stated that
about 2500 years ago but it still seems to
ring true today. Your education counselor
has tools to help you find a job you will love.
Visit your Education Center and ask to take
the Myers Briggs Test Inventory (MBTI),
the Campbell Interest & Skill Survey
(CISS) or Strong Interest Inventory (SII).
These inventories will allow you to learn
more about yourself and your occupational
interest. It is free of charge to service
members.*

Also check out <http://www.bls.gov/oco> for
a great book to help you in the career
search...the **Occupational Outlook
Handbook**.
